Although the venue management does not include coordination, White Dahlia is offering their 'Day-Of Coordination' package at a \$500 discount **ONLY** for Hidden Vineyard Couples. Here is what that includes:

DAY OF COORDINATION

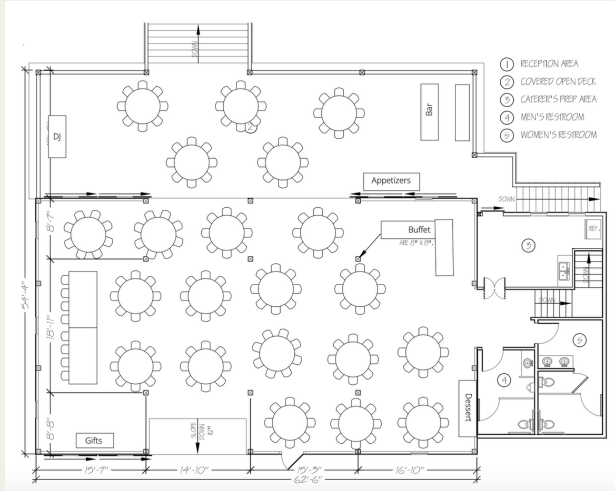

- Access to your White Dahlia Planning Digital Folder which also includes planning tools to help you along the planning process.
- Contact with your Coordinator starting 1 month prior to your wedding day to discuss details. This is also when vendor contact will begin.
- Help with review of all day-of documents in Digital Folder.
- Timeline template that we will help customize.
- Coordination of ceremony rehearsal.
- Review and set up of all personal decor.
- Day-of coordination of vendors, timeline, set-up, ceremony, reception up until dinner service. Close coordination with Hidden Vineyard staff throughout the month leading up to the wedding.
